

What Does  
Success Look  
Like @ LEARN!?

# Why code?

This is only day one and we have so much to learn...

- ❖ Why are you here?
- ❖ What about code or programming has captivated you enough to join this course?

A serene sunset scene over a vast ocean. The sky is a warm, golden-orange color, transitioning into a darker blue at the horizon. The water is dark with gentle waves, reflecting the soft light of the setting sun. A dark, semi-transparent rectangular box is centered in the image, containing a quote in white text.

You get out what you put in.  
If you want more, give more.

Jeanette Jenkins

# The next 4 months...

You have dedicated the next four months to learning a new craft. We will support you every day to help you achieve success, whatever that means for you.

How will you define success for you in this class?

Some starters -- is there a specific question you want to find the answer to, is there a specific skill you need to master, or are you trying to develop a personal habit, find your fit in a career etc...?

# End of Day

At the end of each day:

- Clean up around your desk
- Log out of any accounts
- Turn off the computer
- Make sure mice, keyboards are accounted for
